

2012 Metropolitan Arts Partnership Disbursement Report 2008-2011

The Metropolitan Arts Partnership (“MAP”) is a federation of cultural organizations that engage children and youth in the arts; reaches out to underserved neighborhoods, institutions and individuals; and contributes to the health of the community by expanding arts audiences and arts education. Since its inception in 1996, MAP has contributed over **\$1,350,000** from 35,182 individuals to its affiliated members. MAP maintains a gallery at the Arts Building in Auburn, CA and is working statewide and nationally to advance Cultural Entrepreneurialism. MAP is the only arts organization contracted to manage a Combined Federal Campaign (“CFC”). The CFC is the world’s largest work place giving program. MAP manages CFC Norcal, a 40-county program for over 100,000 federal employees. In 2013 MAP plans to have a summer Arts Camp in the Bay Area and in 2014 to participate in the National and International CFC program. The following is a summary disbursement report for 2008-2011:
